Enhance your business productivity with effective Records & Information Management

The true cost of filing includes not only the purchase of filing products, but the recurring cost of time and space involved. By evaluating the full cost of filing for clients, the Filecorp solution invariably produces savings. As well as offering paper based filing solutions, Filecorp can also recommend and implement leading edge technology to streamline your company's information management processes, sharing knowledge between employees, business partners and customers.

The Benefits of Using Filecorp

- Access savings of up to 60% as a GSB Member
- Receive a free, no obligation appraisal of your filing systems & receive expert advice on best product fit
- Access a range of NZ made products & solutions

NZ's only provider of Olympus Voice Recorders

Dictation Distributors Ltd is New Zealand's leading supplier of voice recording solutions. GSB members can now access a comprehensive range of **digital voice recording systems, conference & telephone recording systems, earphones, microphones, typist headsets, foot controls** and more, at incredibly competitive prices. OLYMPUS

Number 1 in NZ for batteries & flashlights

With devices getting smaller, more advanced, going wireless and demanding more power from a smaller power source, it is now more important than ever to be economically power efficient. As leaders in the New Zealand market, Energizer (encompassing Eveready products) now provides a huge range of products at fantastically competitive prices to GSB Members through NZ Safety.

The benefits of using Energizer

- Suppliers of the world's longest lasting AA battery and the world's first zero mercury hearing aid battery
- Industrial alkaline batteries produced primarily for large users and government departments now available
- Ease of ordering from any one of NZ Safety's 24 branches nationwide or via NZ Safety's website www.nzsafety.co.nz
- Next day delivery to most NZ locations if orders are placed before 5pm
