BUY

Get the right vehicle at the right price

Fit For Purpose

GSB will make sure you get the right vehicle for your specific requirements.

Selection

Make informed decisions that balance your requirements, vehicle specifications and environmental sustainability against total cost of ownership versus lease.

Sourcing

Whether by tender or brokering, GSB can source a single vehicle right through to a large fleet, complete with specialised business or trade fit-outs.

RUN

Maximise use & minimise costs

Fleet Management

GSB can help with fleet administration including local dealer fulfilment and servicing, and competitive deals on fuel, tyres, batteries, windscreens, after-market vehicle accessories, GPS systems and much more.

Fleet Utilisation

We will help you maximise the efficient use of your vehicle assets by measuring fleet performance and providing comprehensive analysis.

Driver Training

Your team will learn skills and techniques to drive safely and fuel efficiently through NZQA approved driver training education with FleetsafeNZ.

SELL

At the right time for the best return

Independent advice

GSB can provide valuations and impartial advice to help you get the best return and minimise the disruption to your business.

Vehicle Disposal

Our contract with Turners Auctions is a cost effective means of selling vehicles at their replacement point.
